ABOUT HAUS

Havana Haus is a creative and custom designed studio that aims to inspire and grow a community of fellow artists in their creative fields.

Chloe Hutchison is an accomplished photographer, videographer, and visionary creative director who has a wild passion for visual storytelling. As the founder of Havana Haus, she has transformed her dreams into a reality, establishing a one-of-a-kind photography studio and production house on the Sunshine Coast that serves as a nurturing hub for fellow creatives.

Havana Haus offers state-of-the-art facilities for photographers, videographers, podcasters, content creators, and more. Here, individuals are encouraged to collaborate, exchange ideas, and push the boundaries of their respective art forms.

CREATIVE
STUDIO

As you step inside Havana Haus, you'll be greeted by an abundance of large windows, strategically positioned to flood the space with soft, diffused sunlight. This carefully curated studio creates an atmosphere that's both inspiring and relaxing, encouraging clients and artists alike to push boundaries and create their best work.
